**DAVE THOMAS FOUNDATION FOR ADOPTION HONORS BEST
ADOPTION-FRIENDLY WORKPLACES IN THE TECHNOLOGY, INFORMATION
AND RESEARCH INDUSTRY**

DUBLIN, Ohio – The Dave Thomas Foundation for Adoption today announced the fourth annual Best Adoption-Friendly Workplaces in the technology, information and research industry. LSI Corporation, Milpitas, CA, topped the list followed by a tie with SAP Americas, Newtown Square, PA; and SAVVIS Inc., St. Louis, MO.

“Adoption is a wonderful option for starting or building a family. The process can be emotional, time-consuming, and the costs can be substantial. We believe it’s important to financially assist employees in their efforts to adopt, as well as provide them with paid time off to bond with their new child,” said Gautam Srivastava, senior vice president, human resources, LSI Corporation. “Helping colleagues through this life-changing event sends a strong message that we value personal well-being and family life.”

In addition to ranking number one in its industry; the LSI Corporation ranked #3 on the top 100 Best Adoption-Friendly Workplaces List. The company provides its 5,588 employees with up to \$15,000 per adoption and two weeks paid leave.

Today, more than 114,000 children are available for adoption in U.S. foster care. Most will spend nearly four years in the system before they are adopted. The release of the fourth annual Best Adoption-Friendly Workplaces List helps the Foundation increase foster care adoption awareness while celebrating those businesses that support adoptive families.

“Whether the child is a 12-year-old victim of child abuse and neglect who has spent years in U.S. foster care, a toddler who has been living in a foreign orphanage, or a newborn from a domestic adoption, it is critical for every child to have the opportunity to adjust and thrive in their adoptive home,” said Rita Soronen, executive director of the Foundation. “This is why employer support of adoption and family-friendly work environments are so crucial.”

Rankings for the Best Adoption Friendly Workplaces List are determined by an analysis of a company’s adoption benefits available to employees who adopt, such as financial reimbursement and paid leave. The Foundation compiled the results from survey data collected from nearly 500 U.S. employers and partnered with *Employee Benefit News*, a SourceMedia publication that is the leading source of information for benefits decision makers, to announce the winners. The Wendy’s/Arby’s Group earned the top spot by offering a maximum of \$24,300 in financial assistance and up to six weeks paid leave.

In addition to ranking the top 100, the Foundation also recognized the top ten by size and the leaders of each industry. To view all of the honorees, visit www.DaveThomasFoundationforAdoption.org.
